

# 7 Port Slim USB Hub with USB Type-C™ or USB Type-A to 1 x USB 5 Gbps Type-A + 6 x USB 2.0 Type-A

## Description

This solid USB hub by Delock with metal housing can be connected to a computer, laptop or mobile device via the **USB Type-A or USB-C™ interface**. It expands the computer by **seven USB ports**. Different USB devices such as USB flash memory, card reader, external enclosure etc. can be connected.

### Extensive connectivity

Due to the specially designed adapter, the Delock hub can be quickly and easily connected to the USB Type-A socket. Thus, it can be easily connected to new devices with USB Type-C™ female and older devices that only have a USB Type-A connector. The **adapter is located directly on the cable** and therefore it cannot be lost.

### Small, stable and handy

Due to its **small dimensions and its sturdy housing**, this Delock hub is particularly suitable for travelling. It can simply be packed into the bag together with the laptop or tablet and used as needed.

### Please Note

The power supply of the connected devices depends on the input power and the number of connected devices.

0.5 m

**Item no. 64273**

EAN: 4043619642731

Country of origin: China

Package: Retail Box

## Technical details

- Connectors:
  - host:
    - 1 x USB 5 Gbps USB Type-C™ male
    - or
    - 1 x USB 5 Gbps Type-A male
  - device:
    - 1 x USB 5 Gbps Type-A female
    - 6 x USB 2.0 Type-A female
