

Stereo Jack Cable 3.5 mm 3 pin male > male angled 2 m black

Description

This stereo cable by Delock can be used for connection of different audio devices with 3.5 mm stereo jack female interface. One of the stereo jack connectors is angled, in case the existing stereo jack female port is difficult to access. Due to the additional gold ring at the end of the connector, this audio cable can easily be connected to devices, which are protected by a cover.
