

BETA 7648GG

Softshell work jacket, made from graphene

Certifications and Standards

Features

The Beta line in graphene combines temperature-regulating properties with a modern design for clothing that makes you feel and look your best.

GRAPHENE TECHNOLOGY

Graphene in fabrics optimises thermal comfort: it absorbs excess heat and releases it when it is cold, maintaining an ideal temperature. It is light, durable, and enhances the garment's comfort.

MODERN DESIGN

The Beta softshell in graphene is studied in detail: modern design and tailor-made customisation converge to offer comfort and distinctive style in every working situation.

TRIPLE DEFENCE

This garment is equipped with a TPU membrane offering triple defence against the elements. Waterproof, windproof and breathable, this membrane guarantees comfort and protection in all situations. Its resistance to water columns of 8,000 mm means that you can face even the rainiest days without worry. At the same time, its

SMART TECHNOLOGY

Graphene is an intelligent material that efficiently absorbs, retains and dissipates heat, ensuring optimal thermal comfort.

ADAPTABLE

Thanks to the string adjuster at the waist and Velcro on the sleeves, this jacket adapts to the worker's needs.

MULTITASKS

Numerous pockets in different sizes ensure that the items needed for work are always at hand.

Certifications and Standards

Size

IT 46 - 58
UK XS - 3XL
