

Adapter Cable RJ45 jack to 2 x XLR 3 pin jack black 20 cm

Description

This cable by Delock enables the transmission and extension of audio signals via a Cat.5 network cable. It is used to connect professional audio devices with an XLR interface, e.g. for amplifiers, loudspeakers, KTV devices, DMX controller series for LED RGB strips or to connect a microphone to a mixing console.

20 cm

Item no. 88178
