Home & Office

### **Universally Compatible**

Built-in industrial grade N52H magnets with strong holding force up to 250 g to keep smartphones securely intact, even when driving on bumpy roads, the phone does not fall off.

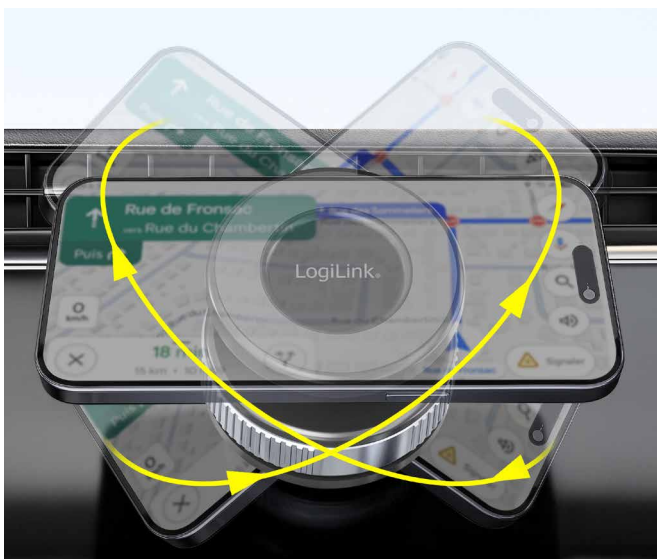

Works with MagSafe compatible smartphones/cases, and if your smartphone or case does not have the magnetic suction, you can attach the included metal ring to the case.

### **Strong Suction with Manual Rotation Enhancement**

Twist-lock vacuum suction ensures a firm and secure hold on smooth surfaces.

Also include multi-surface adhesive pad for extra support.

### **Adjustable to Any Angle**

Allows 360° rotation, you can position your smartphone at the optimal viewing angle at any time, according to your needs.

## Multi-Purpose Phone Holder

This phone holder can be attached to various smooth surfaces, perfect for driving, working out, showering, cooking, and putting on makeup.
