

Stereo Jack Cable 3.5 mm 4 pin male > male angled 2 m black

Description

This stereo jack cable by Delock with 4 pin male connector is compatible to iPhone, iPad and iPod. It enables the connection of a mobile device to e.g. a stereo system or car radio. One of the stereo jack connectors is angled, in case the existing stereo jack female port is difficult to access. Due to the additional gold ring at the end of the connector, this audio cable can easily be connected to devices, which are protected by a cover.

2 m

Item no. 85613

EAN: 4043619856138

Country of origin: China

Package: Zip poly bag
