

Adapter USB 10 Gbps 2 in 1 USB-A female to USB Type-C™ male + USB Micro-B male OTG

Description

The adapter by Delock enables the connection of a device with **USB Type-C™ or Type Micro-B interface** to a conventional USB Type-A port. Almost all common mobile USB devices can be connected with the **2 in 1 USB adapter**.

OTG function

The **OTG function** enables a **direct data transfer** between your mobile device and the USB device, without connection to a computer. The **angled plugs** ensure a firm hold in the USB socket and the adapter can be used especially in hard-to-reach places. The OTG function is particularly practical when traveling and the adapter has a **practical eyelet for attaching to a key ring**.

Item no. 60739

EAN: 4043619607396

Country of origin: China

Package: Zip poly bag
