

BETA 1122L

Long blade shears for straight cuts

Features

Long blade shears for straight cuts

PRECISION

Their precision allows efficient and high-quality work.

RESISTANCE

Made from high-quality materials, these shears offer exceptional strength and durability. Their robustness makes them ideal for intensive use.

LONG CUT

Straight and extra long cuts thanks to 98 mm blade length.

COMFORTABLE HANDLE

The non-slip, ergonomic handle provides maximum comfort.

SAFETY

The practical locking system allows safe storage and transport of the tin snips.
