

Delock Adapter USB micro-B male > USB 2.0-A female OTG 90° angled

Description

This USB micro adapter by Delock enables you to convert the USB 2.0-A male port of your device into a USB micro-B male port. Thus you can connect e.g. HDDs or memory sticks with standard USB port to mobile phones, smart phones, tablet PCs etc. with OTG support. The OTG function enables a direct data transfer between your mobile device and the USB device, without connection to a computer. The angled connector provides a stable hold inside the micro USB female port and can be used especially for ports which are difficult to access.

Item no. 65474

EAN: 4043619654741

Country of origin: China

Package: Zip poly bag

Technical details

- Connector: USB 2.0-A female > USB micro-B male 270° angled
