

USB 5 Gbps Switch 2 PC to 1 device

Description

This USB switch by Delock allows to share a single USB 5 Gbps peripheral device with two different computer systems. This avoids the cost of purchasing multiple peripherals or the hassle of swapping cables from one system to another.

Item no. 11508

EAN: 4043619115082

Country of origin: China

Package: Retail Box
