

# Telephone Cable / Coiled Cable RJ11 plug to RJ45 jack black 2 m

## Description

This telephone coiled cable by Delock connects analogue devices with ISDN sockets and serves as a connection cable for telephones, routers, modems and splitters.

### Coiled Cable

The coiled cable enables flexible data transfer, is easy to store and unlike conventional cables, takes up less space. It also has a high restoring force and can be extended to three times its original length.

2 m
