BETA 7560NG
Stretch work trousers, multipocket style

Certifications and Standards

CE EN ISO 13688:2013

Features

Functionality and style meet in the Top Line Beta trousers: durability, comfort and sophisticated design for the ultimate in professionalism

ELASTICITY AND COMFORT
The multi-directional stretch of the fabric (4-way-stretch) promotes fluid and natural movements, maintaining comfort even during the most dynamic phases of work.

RESISTANCE
The high-strength fabric and reinforced inserts in the areas subject to the most stress improve the durability of the trousers, offering effective protection against wear and tear in the most demanding work environments.

SOPHISTICATED DESIGN
Carefully thought-out design with orange accents that recall the Beta style: a synthesis of functionality, recognisability and aesthetic care.

COMPLETE, COORDINATED LOOK
The 7560NG trousers are perfect to be combined with the other garments in the TOP LINE line, creating a complete and professional work outfit without sacrificing comfort and style.

REINFORCED INSERTS
Reinforcements on knees, leg bottoms, front and side pockets for extra protection and durability

MULTIPOCKET STYLE
Multiple pockets provide organised space to have everything to hand, ensuring practicality and functionality at work.

KNEE PAD POCKETS
Knee pad pockets allow knee pads to be integrated for prolonged work on the knees in greater comfort.

Certifications and Standards

CE EN ISO 13688:2013

Size

IT 46 - 58
UK XS - 3XL

Specifications
