

Datasheet for EBD2S6000SR product

1. General Product Identification

- **Manufacturer / Brand:** ELTA Automotive[
- **Product Line:** VisionPRO
- **Part Number:** EBD2S6000SR
- **EAN:** 5021374961242
- **Product Type:** Gas Discharge Tube / Xenon HID Headlight Bulb

2. Technical Specifications

- **Bulb Type:** D2S
- **Base / Socket Type:** P32d-2
- **Nominal Voltage:** 85V
- **Nominal Wattage:** 35W

3. Light Properties & Aesthetics

- **Color Temperature:** 6000K
- **Color Output:** Produces a bright, crisp white light
- **Glass Design:** Features a blue-tinted bulb

4. Key Features & Certifications

- **Road Legality:** Yes, it is fully homologated (E-marked) for legal use on public roads
- **Packaging:** Comes in 100% ecological paper packaging
